### Proud Members of:

National Recreation  
and Park Association

We look forward to the day when the sun shines bright, the days are warmer and there is activity both inside and out as Summer takes center stage in our town of Greece. This edition of the Strive ensures that you have plenty to do in this wonderful season.

The Department of Parks and Recreation has worked hard to present you with wonderful options for staying happy and fit during these warmer months. I encourage you to visit Wellness Way which is on Town Hall Campus. Located just west of the splash pad, Wellness Way features outdoor fitness equipment and a paved walking path that stretches  $\frac{1}{2}$  mile to give you scenic views of all the amenities our campus has to offer. Please make sure to stop by the Old Fashioned 4th of July where you are sure to find great food, music and activities for young and old alike.

Whatever your pleasure this summer, I wish you a safe and active summer.

All the best,
